If Foothills Farm, LLC deems it too late in the season to re-breed a mare during the current season, Foothills Farm, LLC may permit the mare to be re-bred the following year. Re-breeds on the same mare must pay the fee applicable for the re-breed year (**\$500.00**) and shipping charges; all re-breed fees and all relevant shipping charges **MUST** be paid in advance of re-breed. **RE-BREED privileges are valid for one year only, following the initial contract.** After the time the obligations of the Foothills Farm, LLC, is deemed to have been fulfilled and a new contract must be made.
